## ~Chile~

CORCADIS, our ministry partner in Chile, was recognized by the Mayor of Santiago for its humanitarian aid work. On the Chilean Thanksgiving Day, September 10th, Mayor Pablo Salaquett Said, presented them with a beautiful plaque. The ceremony took place in First Presbyterian Church of Santiago. It was attended by pastors, government authorities and leaders of the armed forces.

The first custom-fitting event (distribution) for FRIDLA was held in Santiago in July, 1996. We are so pleased that after 15 years, CORCADIS has been recognized for the good work they are doing to help the economically disadvantaged who have disabilities. This was the first country where God showed Judy that FRIDLA was to become a ministry to reach those affected by disability with the Gospel and love of Jesus. We praise God and give Him all the glory! We could not have done it without God leading the way.

## ~Peru~

### Cusco, Peru -

In January, Ermitaño will be 33 years old. He comes from extreme poverty and a large family that treated him as having no value due to his disability. He has severe scoliosis from neglect. He was rescued and

placed in a clinic where he now lives. He had to depend on someone to always push him.

A medical student who goes to work in the clinic each summer saw that Ermitaño needed a power chair in order to have some independence.

Michael contacted us last year and asked if we could help. In July, Michael and his father took the chair to Peru. It was a surprise! He was so excited to have a way to get around without waiting on a staff member to push him everywhere. We understand that Ermitaño has become a real expert at wheeling himself around the clinic.
