Alberto and Judy Nuñez Update

Third Quarter 2015 Issue

**“May the Lord make your love increase and overflow for each other and for everyone else, just as ours does for you.” 1 Thessalonians 3:12**

## *What's Been Happening - You Are Changing Lives!*

On the home front, the workshop is producing refurbished wheelchairs and other items. Everything is ready and waiting to load and ship the container to Perú. The paperwork has been moving at a snail's pace. We are planning for a July shipment. **Please pray** for FRIDLA. **Pray for** the people in Tacna, Perú who will be receiving help with mobility and hearing the Gospel along with the gift of a Bible. Pray for many souls to be added to the Kingdom of God.

In the First Quarter newsletter there was a picture of a man crawling out of the house to get to the wheelchair. A second picture showed him seated in the chair. Below left is a picture of him as he crawled up to the wheelchair and began to get in it for the first time. **Please pray** for him and his family and their salvation. We do not have a name, but God knows who they are. Below right is Hernan receiving a new wheelchair after he gained so much weight that he broke his other chair. Hernan's wife has become a believer and attends church.

**Please pray** for Hernan to open his heart to Christ as he attends church with his family. Pictured above right with Hernan is Juan Alamo who is the President of FRIDLA Uruguay. He has assembled a great group of volunteers in Uruguay to reach those families affected by differing abilities with the love and Gospel of Jesus Christ. **Through your financial support and prayers you are changing lives, one at a time.**

The political climate in Bolivia is not very good for FRIDLA to send a container for the next couple years. We do have plans to establish another repair workshop in Santa Cruz soon. Jorge, the president of COMAR-BOL Bolivia spent a week with us in May. He learned a lot about the refurbishing process and got hands-on experience with Alberto in FRIDLA's new workshop. He is anxious to get the workshop up and running in Santa Cruz. **Pray for Jorge** as he and the volunteers prepare for the Santa Cruz, Bolivia workshop to become operational. The need is so great. It will be another avenue to present the Gospel to those who need hope.

Pictures above - more Uruguay volunteers helping to change lives *because of your faithfulness in prayer and financial support*. On the left - an electric wheelchair; the other two - a walker for the house and short walks; a wheelchair to use on longer trips. Picture below left, Alberto with a lady happy with her wheelchair.

At far right, a young boy is so happy to be getting a rollator type walker so that he can get around in school and at home without having to be helped by his friends or family. *These lives are changed by you due to your financial gifts and your prayers. You have given him independence.*

**Thank YOU for your faithful support. We could not do it without YOU.**

We do not say ***“Thank You”*** enough, nor do we let you know just how important you are to this ministry and to the advancement of the Kingdom of God. Yes, ***You*** are changing lives through mobility and through the Gospel message of Hope.

An increase of \$5.00, \$10.00 or more per month will make a big difference. Our cost of operating has greatly increased with FRIDLA having to take over the renting of a workshop space, etc. Any amount of increase would be greatly appreciated.
